

Loree Seibert, Board Member

Loree Seibert has lived in the Rogue Valley for over 30 years. She is a Registered Nurse and spent much of her professional life working in the specialty field of Wound, Ostomy and Continence Nursing. Seibert has worked most of her professional career for a local hospital, home health, and hospice. Seibert is currently an RN Surveyor for *The Joint Commission* which allows her to do one of her favorite hobbies---travel.

Seibert and her family have had a love for dogs for many years. Her daughter raised puppies for both Guide Dogs for the Blind and Dogs for Better Lives while in high school. Both her daughter and son have also volunteered at Southern Oregon Humane Society. Her daughter now lives in Florida with a career change dog from Dogs for Better Lives, named Barnum. Her son lives here in Southern Oregon with his best friend whom he adopted from SoHumane, Louie.

Local community service keeps her busy and she has volunteered in training events with ACCESS and is an active member of the *Rogue Valley After Five Rotary Club*.

She is a graduate of Fresno State where she earned her Bachelor of Science in Nursing and earned her Master's degree in Organizational Leadership at Gonzaga.
